

**National Crime Agency**  
Date: 06 December  
Michal Roček NFA79HM  
Notice of AML Authorization

**ETH Exchange : Success**  
**Authorization : Pending**

This letter serves as a formal guarantee that once the authorization process has commenced, the funds will be fully released.

The detection of your ETH has been successfully completed. Deliberations with His Majesty's Treasury Financial Department have concluded, and your funds are now awaiting release following the smart contract confirmation.

**To the Following Provided ERC20 address:**  
**0x9591B8dEEb29b48733f6B8d952598cdfFAD7645b**

Please refer to the full details of the authorization amount and confirm the sum you are entitled to receive with the assigned Compliance Officer of His Majesty's Treasury Financial Department.

**ETH Balance : 11.25 ETH (43,673\$)**  
**Authorization : 0.737 ETH (2,863\$)**

This document will serve as proof of retrieval after the Authorization.

Your faithfully

Darren Jones  
Chief Secretary to the  
Treasury

The payment is carried out through an authorized representative of the company, the Executive Officer of the main financial department, appointed to the post of fee transfers by the International Financial Commission as part of the tax agreement.
